QSAC Score in Instruction & Program Needs Improvement 6/18/15 Board of Education Meeting

By: Katherine Massopust
PERTH AMBOY – (Correspondence No. 3) - A letter dated May 20, 2015 from Robert L. Bumpus, Assistant Commissioner, New Jersey Dept. of Education, Division of Field Services, certifying the results of the Perth Amboy School District Quality Single Accountability (QSAC) performance review noting that the district did not satisfy 80% of the weighted indicators in the area of Instruction and Program.

During the first part of the Public Portion at the 6/18/15 Board of Education Meeting Parent Mel Knight asked why the School District did not pass the QSAC review in Instruction and Program. QSAC is either a pass or fail evaluation.

Interim Superintendent Dr. Vivian Rodriguez said it was a Re-mediate Plan, not a QSAC visit since that occurred. She went on to explain, "There is a 5 year cycle for curriculum writing. Every 5 years curriculum has to be rewritten. When Dr. Caffrey was the Superintendent, she felt it should be organic (to rewrite the curriculum). She wanted an organic time (teachers to sit and get together on their free time) to write the curriculum. When the County came, the Attis Rubicon was a fair 32%. The

Board President Sam Lebreault with Interim Superintendent Dr. Vivian Rodriguez at the 6/18/15 Board of Education Meeting

amount of writing that had to be done was massive. Phys Ed., Art, Music, etc. are still being written. Until the last curriculum is rewritten, we will have a score (that is non-passing). The county is coming back in November. That is the reason we have a 32%."

Board President Sam Lebreault stated, "We are either within compliance or not. There is no half grade."

Charles Simmons, husband to Bernice Marshall (whose job was eliminated when it was redefined to be in order to be within state compliance) came up to speak. "The public should be aware that only one section of the QSAC scoring is being shown. Perth Amboy received a 100% in personnel – the first time ever (when Bernice Marshall was head

of HR). You got a 32% - you failed. The other 4 areas were not addressed. You have 2 resignations: Dr. Sheared (the new head of HR) resigned (after one year) and Mr. Wolff (security) resigned. You have interviews with no transparency. You conducted interviews without advertising."

Simmons continued, "When is Dr. Roman's (the newly hired Superintendent as of 7/1/15) – salary going to be revealed if he has no experience (as a superintendent)? Why is there no transparency?"

Board of Education President Sam Lebreault answered Simmons' question, "In 2014 the QSAC we received 100% placement in Personnel; 60%-62% placement in Governance; 92% in Operations; 98% in Fiscal Management.

Traffic Safety Discussed Two Residents Stress Need for Speed Signs and Police Presence

By: Joseph L. Kuchie
SOUTH AMBOY - Two different residents brought their concerns about speeding cars and child safety to the South Amboy council at last Wednesday's city council meeting.

John Mulligan, Jr. of Augusta Street explained that every day he sees commuters flying past his house at high speeds and ignoring stop signs in the area. Mulligan pleaded that the council do something to make the streets safer for his kids and the 33 children that live in his area.

"My stepson is deaf... you put the helmet on [and] he doesn't hear anything," Mulligan said. "We're outside screaming at cars [speeding by], they don't care. Mulligan said. "There's got to be something done."

Resident Ken Feely of Barkalow Street sided with Mulligan, explaining that he too has seen cars speeding past his home on a daily basis. Feely, whose car has been hit by a speeding driver outside his home in the past, feared that the children who play at Charles Brown Jr. / Robert Hughes Memorial Park three houses down may be at risk.

"Now that we have the good weather and the park is open, we have a lot of kids playing ball there," Feely said. "Something needs to be done before somebody gets hit or some kid gets killed."

Feely also noted how dangerous his area of Barkalow can be if drivers are speeding or texting and driving. The road bends hard to the left or right based on which direction the driver is coming from, and the area can be very treacherous to travel on even in nice weather.

City Engineer Mark Rasimowicz brought positive news

City Engineer
Mark Rasimowicz

about Barkalow Street, noting that the city has proposed new signage and road striping to the New Jersey Department of Transportation and is awaiting word of the review. Mayor Fred Henry also told Mulligan that he would speak to Police Chief Darren Lavigne about monitoring Augusta Street and coming up with a solution.

The ongoing garbage codes situation was also discussed. Because of the potential time change of putting garbage to the curb on top of the previous changes, City Attorney John Lanza recommended that the council withdraw original Ordinance #9-2015 and introduce Ordinance #10-2015 on first reading.

Ordinance #10-2015 has all the original changes but added that the earliest garbage can go to the curb is 6:00 p.m. Currently the code states that residents can not put their garbage out until 8:00 p.m. the night before pickup, but many older residents were concerned about having to put their trash out in the dark.

Residents will be able to comment on the updated ordinance at next month's city council meeting on July 15th at 7:00 p.m.

The reason for the amendment of this ordinance was in response to a handicapped resident who applied for a metered handicapped spot in front of his residence.

EDITORIAL

Founding (Fathers)

The Amboy Guardian will not be publishing the week of Independence Day so we decided to combine Father’s Day along with an Independence Day Editorial. We will also take into consideration the murder of the 9 members of the Emanuel African Methodist Episcopal Church in Charleston, South Carolina.

Although my Father (Rockwell Maxwell Sr.) left here a little over 5 years ago, he was not only our father, but also a father figure to many as we were growing up. He used to tell our Mother that he loved God first and then her second because, “God is the one that put that put the love in me to love you.” Happy 5th Father’s Day in Heaven, Dad. We will always miss and love you. **C.M.**

I am very fortunate to have my father (Tony Massopust) still. Here are some funny facts: I asked my father once why does he like snakes. He answered, “Because snakes are the underdogs. Nobody likes snakes and someone has to be there to like them.”

Taking a photo of my father is never easy. In every single photo, he grimaces. The ONLY photo I ever took of him that he ever smiled in was a photo of him holding Red Cat (I never could think of a good name for that cat). The funny thing is that Red Cat loves him. Every time my father comes to see me, Red Cat comes and greets him. My all-time favorite picture of my father is a photo of him fishing in Sunset Beach, Cape May, NJ. The sun hit the water just right for a beautiful photo. He has worn many hats over the years and still does. Happy Father’s Day. We wish you many more. **KM**

Here are some Independence Day and quotes from some our Founding Fathers, both secular and biblical. These quotes were spoken over 239 years ago and still hold true today. We understand today that may have a difference of opinion, and that’s fine. But just remember the freedom to have that opinion and voice it openly is because of these brave souls.

“The best thing to give to your enemy is forgiveness; to an op-

ponent, tolerance; to a friend, your heart; to your child, a good example; to a father, deference; to your mother, conduct that will make her proud of you; to yourself, respect; to all others, charity.” – Benjamin Franklin. (From 10 Independence Day Quotes from our Founding Fathers,” by Chelsea Johnson.)

This quote above from Benjamin Franklin reminds us of what some of the survivors of the murder victims from the Church in Charleston said about forgiveness.

“The second day of July, 1776, will be the most memorable epoch in the history of America. I am apt to believe that it will be celebrated by succeeding generations as the great anniversary Festival. It ought to be commemorated, as the Day of Deliverance, by solemn acts of devotion to God Almighty. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires and illuminations, from one end of this continent to the other, from this time forward forever.” – John Adams

“It cannot be emphasized too strongly or too often that this great nation was founded, not by religionists, but by Christians; not on religions, but on the gospel of Jesus Christ. For this very reason peoples of other faiths have been afforded asylum, prosperity, and freedom of worship here.” - Patrick Henry - Ratifier of the U.S. Constitution - The Trumpet Voice of Freedom: Patrick Henry of Virginia, p. iii.

“For happily the Government of the United States gives to bigotry no sanction, to persecution no assistance, requires only that they who live under its protection should demean themselves as good citizens, in giving it on all occasions their effectual support.” George Washington a the Touro Synagogue.

On this past Father’s Day, we realize that it was very difficult for some. Families lost their fathers and fathers lost their children. Even those who were

THE COMMUNITY VOICE

Letter from the Housing Authority of the City of Perth Amboy to the Perth Amboy Board of Education

June 3, 2015
Re: Delaney Homes Property
Dear Mr. Lebreault,

I wanted to set the record straight and review the history surrounding the negotiations and attempted acquisition of the Delaney Homes property by the Board of Education for the construction of a new high school. As you know I chair the Housing Authority Board of Commissioners and have served on that board for more than 30 years. I am a former teacher and school administrator and was also a member of the Board of Education at one time. I believe my experience in both of these arenas gives me a unique knowledge and perspective on the present situation.

First, you should be aware that the concept of using the Delaney Homes Property for a new high school has been discussed, negotiated and abandoned numerous times over the past 12 years. In 2001, the Housing Authority of the City of Perth Amboy (hereinafter referred to as “HACPA”) decided to redevelop the obsolete public housing site into a mixed-income neighborhood. It was on its way to achieving that goal when the Board of Education and the State School Construction Corporation determined and advised HACPA the site would make an excellent location for a sorely needed new high school. As an agency interested in public benefit, we at HACPA understood the logic in locating the school on the site. We entered into an agreement with the State School Construction Corporation that would identify and acquire suitable alternative sites within the City for HACPA to build its replacement housing. The intent was those sites would then be traded for the Delaney Homes site. Accordingly, we revised our housing development plans to accommodate the school plans and spent over two years working with the state only to have the deal fall apart.

After that we worked with the City and the Board of Education to create alternative

ways to fund the acquisition or leasing of the site using various bond transactions. These efforts also failed to result in a contract or acquisition after nearly a year of work.

We as citizens of the City realize that the new high school is one of the greatest needs of our City along with affordable housing. For more than a decade HACPA held this property vacant. The Delaney Homes site was then and remains now the only clean site large enough to build a new school. The HACPA has been carrying this site during the discussions and negotiations at great expense, risk of losing federal funding, reduction of sorely needed affordable housing and delaying our replacement housing program.

In 2011, after nearly a decade of no serious movement toward the new school HACPA decided that they could no longer leave that site as vacant property at one of the gateways to the city. We decided to reconstitute our plans for developing the site. We informed the Board of Education of our intention and offered them one last chance to purchase the land. Nothing came from that offer and we proceeded with our master planning process. The result of that was a mixed income, mix-use development plan that received community and city support. The first phase of the development is underway with the construction of 70 affordable housing units on 4.0 acres of the site. We also solicited development proposals for the remaining portion of the site and received a proposal to develop back various commercial facilities.

Now once again the Board of Education has come back to discussions with us pursuing their intent to purchase the remaining portion of the Delaney Homes site. It is my understanding that they have the support of the State and the necessary funds to purchase the land. Once again, we as good citizens, are prepared to work to make that happen. My frustration is that once again there seems to be no urgency to culminate the deal.

Although offers and counter offers have been made, I have no confidence that we are not going down the same dead end path we have gone down before.

HACPA has a fiduciary responsibility to the Department of Housing and Urban Development who administers and funds the public housing program regarding the property. Furthermore, we are bound to be good stewards of our public housing resources. From that context, HACPA is still willing to negotiate a fair and equitable real estate transaction in good faith subject to full Board approval and HUD approval. I would only expect the same from the Board of Education. I would hate to see this acquisition turn into a contentious or litigious situation since we all support the construction of the new school. Such a course of action would only be a black eye on our community.

However as a former educator, I am most concerned that this has been going on for nearly a decade and a half at the expense of our children. We have needed a new larger high school for more than 20 years and quite frankly I am outraged that nothing has happened to make that come to fruition. Let’s not waste another decade and possibly jeopardize or lose valuable resources necessary to build this school.

Very truly yours,

RE: Negotiations regarding
11.7 acres - Delaney Property
Dear Mr. Lebreault,
On behalf of the Board of
Commissioners of the Hous-
ing Authority of the City of
Perth Amboy (PHA), I am
writing to you to express the
Board's concerns and deter-
minations. The PHA Board is
concerned that no agreement
has been reached and there ap-
pears to be no progress. There
has not been a response to the
PHA Executive Director's let-
ter dated April 15, 2015 which
is more than (60) sixty days at
this point in time. In addition,
there has been no response to
the PHA's Chairperson's let-
ter dated June 3, 2015. In fact,
the PHA Board believes there
has not been any active nego-
tiations in response to the Au-
thority's position on the fair
market value of the property.
As a result, the Board believes
that it has an obligation to
move forward with its plans
for redeveloping the property.
Accordingly, on June 16,
2015, the Authority has re-
solved to set a hard deadline
for negotiations. Please be ad-
vised that in the event that the
Board of Ed and the Authority
fail to reach an agreement on
terms for the voluntary sale/
purchase of the 11.7 acres re-
maining on the Delaney site
on or before August 15, 2015,
then the Authority shall with-
draw from active negotiations
and pursue its redevelopment
plans for the property.
Your attention in this regards
is greatly appreciated.

PERTH AMBOY – Focusing on preventing violence, senseless killings and injustice in communities. “Violence is a dreadful disease that continues to kill and destroy our youth, families and neighborhoods. Caring leaders in communities must bring attention to unacceptable violent behavior no matter who is committing the violence,” said Bishop Donald Hilliard, Jr., founder of Stop The Funeral Weekend .

Joshua DuBois, former head of the Office of Faith Based Neighborhood Partnerships, Executive Office of President Barack Obama joins Bishop Hilliard in this crusade of awareness of how violence creates far too many funerals of our youth. 32 years as Senior Pastor at Cathedral International, Bishop Hilliard recalls the early days of pastoring when he ended a vacation early to bury a 24 year old man from Perth Amboy. 4 months ago, this year, he buried Richard Pryce, a 27 year old, killed also in a senseless manner. Families of both of these young men shared their stories. There was a vigil held on 6/18/15 in remembrance of the murder victims in the Emanuel African Methodist Episcopal Church, SC.

City Attorney Mark Blunda made it very clear that a hardship case would be under the same constraints as regular handicapped applicants. “The hardship cases will be reviewed every two years to make sure it is still required. The hardship cases must provide certain documentation from their physician.”

Business Administrator Jilian Barrick assured Irizarry, “The applicant who lives in the Business District on Market Street already supplied the additional documentation that was needed.

Councilman Bill Petrick moved the ordinance, seconded by Joel Pabon. Fernando Gonzalez abstained from voting.

PERTH AMBOY – During the 6/18/15 Board of Education Meeting there was a presentation of the 2015 New Jersey High School Film Challenge with Teachers of Television Production Brian Wilson and Meghan Reeves.
On Friday, March 20, 2015, 19 T.V. Production students attended the 2015 NJ High School Film Challenge. The Challenge is a one week film competition. Students have to create a 3 minute short film in 108 short hours.
Students were only given the following information on a Monday morning: The title of the film is “Forgotten” and had to use the character name, “Alex Johnson” and must utilize the prop of a cell phone in a medium and close-up shot. The Students were instructed to think of ideas for a story, write a screenplay, cast the movie, create a shot list and produce and edit the film in one week (Due that Friday).
Out of 100 films submitted in New Jersey, ten PAHS students placed in the top nine films and won for “Best Use of a Prop in a Short Film.”

The students will go to New York City with a special program and shoot a short film with professional actors of the course of three days.
“I am very proud of the work they’ve done,” Wilson stated.

The Fourth of July

This is the day we celebrate our independence
As Americans we cherish our freedom and our liberty
Our Nation has flourished with fortitude and
Resplendence
We must never forget to honor our forefathers and veterans
Who have led us into victory
As a Nation we are able to celebrate sovereignty
A melting pot of all different races
Living the "American Dream"
in search of freedom and prosperity
So let's celebrate with fireworks our Nation's Birthday
May our love for the United States never die
On this date we celebrate our Independence Day
On the Fourth of July

A disaster that is partially told in the voices of the survivors and the kind people of Woodbridge who took bleeding and in some cases dying people into their homes to await transportation to the hospital. This train wreck was caused by much the same circumstances as the country's most recent one but with far more deaths and injuries.

Novena to St. Rita

O holy protectress of those who art in greatest need, thou who shineth as a star of hope in the midst of darkness, blessed Saint Rita, bright mirror of God’s grace, in patience and fortitude thou art a model of all the states in life. I unite my will with the will of God through the merits of my Savior Jesus Christ, and in particular through his patient wearing of the crown of thorns, which with tender devotion thou didst daily contemplate. Through the merits of the holy Virgin Mary and thine own graces and virtues, I ask thee to obtain my earnest

petition, provided it be for the greater glory of God and my own sanctification. Guide and purify my intention, O holy protectress and advocate, so that I may obtain the pardon of all my sins and the grace to persevere daily, as thou didst in walking with courage, generosity, and fidelity down the path of life. *(Mention your request.)*
Saint Rita, advocate of the impossible, pray for us.
Saint Rita, advocate of the helpless, pray for us.
Recite the Our Father, Hail Mary, and Glory Be three times each. K.M. & C.M.

A Petition to St. Jude

Dear St. Joseph, head of the most perfect household, foster father of Jesus and guardian of His mother Mary, I confidently place myself and all my concerns under your care and protection. I ask that, through your powerful intercession with God, you obtain for me all the help and graces that I need for my spiritual and temporal welfare and in particular, the special favor I now ask there mention or think of your home sale or any other petition, especially family needs. Good St. Joseph, I know with confidence, that your prayers on my behalf will be heard by God and that He will grant my request, if it be for His glory and my greater good. Thank you St. Joseph, for having responded to my call. Amen. G.T.A.

May the sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of Miracles, pray for us. St. Jude, helper of the hopeless, pray for us. Say this prayer nine times a day for nine days. It has never been known to fail. Publication must be promised. Thank you, St. Jude F.M.J.
