Bells of Peace to Ring Nov. 11, 2018

UNITED STATES - The World War I Centennial Commission along with the Pritzker Military Museum & Library, the Society of the Honor Guard of the Tomb of the Unknown Soldier, the National Cathedral, The American Legion, and the Veterans of Foreign Wars has announced a nationwide bell-tolling on November 11, 2018 as a solemn reminder of the sacrifice and service of Veterans of the Great War, and all Veterans.

The nationwide program is designed to honor Americans who served 100 years ago during WWI, especially the 116,516 who died. The war ended by an

armistice agreement at 11 a.m. on Nov. 11, 1918.

“Bells of Peace: A World War I Remembrance” encourages citizens and organizations across the nation to toll bells in their communities 21 times at 11 a.m. local time on November 11, 2018. For more information go to wwlcc.org/bells where people can find poetry, music, sacred service options and more. Individuals and organizations can sign up online to participate in the bell-tolling and follow up after November 11, 2018 with photos and video of the service or ceremony. Posts will be added to the commis-

sion’s permanent archive.

Celebrating 35 Years of Pastoring for Bishop Donald & Pastor Phyllis Hilliard

Press Release
PERTH AMBOY – 35 years ago a buzz was generated in New Jersey about the 26-year-old, Rev. Donald Hilliard, Jr., the new pastor at the Second Baptist Church in Perth Amboy, New Jersey. This new pastor incited the buzz with his exceptional leadership ability, compassion for people and deep conviction for the gospel. According to Rev. Hilliard and his wife, Phyllis Thompson Hilliard, there was never a strategic plan created for what their pastoring journey would entail. “Faithfulness in prayer, praise, worship and giving along with our four-fold mission to Evangelize, Educate, Emancipate and Empower has guided us through challenges and enormous achievements,” states Bishop Donald Hilliard, Jr., Senior Pastor, Cathedral International.

Cathedral International pauses to celebrate and honor visionary leaders who for 35 years have created a legacy that represents what God does for a people willing to give of their time, talent and tithes.

Everyone is invited to the three-day celebration that marks another milestone in the Journey of Cathedral International and Bishop Donald & Pastor Phyllis Hilliard.

•Friday, November 9, 2018, 7pm, The Testimonial Gala. The Rev. Dr. DeForest Soaries is the Toastmaster. Bishop John Bryant is guest speaker. The attire is formal.

•Saturday, November 10, 2018, 12:00pm, The Legacy Leaders Luncheon. Bishop Curtis Douglas is the Emcee and Bishop George Searight is the guest speaker.

•Sunday, November 11, 2018, Three Worship Services,

6:30am, 9:30am and 12:00pm with Dr. Karen Wells speaking at the 9:30am service.

There is no cost to attend the celebration that takes place on the Cathedral Campus, 277 and 272 Madison Avenue, Perth Amboy, New Jersey. Call the church office at (732)826-5293 for more information or visit www.cathedralinternational.org/35th

ABOUT BISHOP HILLIARD AND CATHEDRAL INTERNATIONAL

There are incredible milestones in the God-glorifying journey of Cathedral International with Bishop Donald Hilliard, Jr., serving at the helm. His willingness to “Say Yes!” to the Lord has fostered his ability to provide leadership in the exponential growth of the church over the last 35 years. The Ministry has expanded to serve the specific needs of three different locations of Perth Amboy, Asbury Park and Plainfield, thus “One Church in Three Locations”, all reaching the lives of many people with over fifty ministries operating on the three campuses. This includes Iglesia Catedral Internacional which is on the Perth Amboy Campus. Through the facilitation of the gospel via streaming technology, Cathedral International now reaches millions of homes across the globe.

LOCAL PERSPECTIVE

EDITORIAL

Our Heads Are Spinning Again
Remember the Words You Spoke
When You Took Your Oath of Office

For all the politicians who are running to the border to champion the causes of people coming from other countries to come into the United States illegally. How many homeless citizens are you stepping over on your way there?

When immigrants arrived at Ellis Island legally, they had to show their papers. They had to leave their luggage on the ground floor and go upstairs to be inspected by doctors. They had letters attached to their clothing which indicated any medical conditions. Sick children 12 years old or older were sent back home by themselves. Younger children were sent back with one parent. *see http://www.ellisland.se/english/ellisland_history1.asp*

I'm going to repeat what I said in a previous editorial. I remember when I went to New York City and you would always see the homeless people and those begging for money on the money on the West Side of Town. What a shocker it was when you saw homeless people sleeping on the East Side of the City. Now, it seems like the homeless are prevalent in many of the upper echelon areas in all parts of the Country.

There are approximately 554,000 people experiencing homelessness in the United States according to a 2017 report from the U.S. Department of Housing and Urban Development (HUD) in 2017. There were 40,056 homeless veterans living in the U.S. in a single night in January 2017. *see <https://www.metro.us/news/homeless-veterans-in-united-states-map>*

THE COMMUNITY VOICE

Election Charges

Should people vote for a candidate who keeps his plans secret from the voters? A candidate who only attacks the incumbent is not credible to me. Around 1965 the US Supreme

Court ruled that an elected official cannot sue anyone for libel or slander. So, anyone can make charges without having to offer proof. Don't be fooled again!

Ronald A. Sobieraj

Election Day

Here it is Election Day. Get ready to VOTE the American way of choosing the person you might trust in public office. Now, here in Perth Amboy the voters get to pick City Council Members and School Board Members. For me, it's just a trip to "Fantasy Land" - The way

I see it. This is where many in town are saying Democrats are fighting Democrats and the Mayor has nowhere to run because the truth will be exposed after the elections. We know this election will be watched carefully. SO, go out and VOTE!

Perth Amboy BID Helping
Small Businesses Boost Store
Traffic and Sales

Press Release 11/2/18
PERTH AMBOY – The Perth Amboy Business Improvement District (BID) is helping local retailers boost traffic to their stores and increase sales during the holiday shopping season. The BID's effort is part of the annual Small Business Saturday® celebration, which encourages everyone in the city to Shop Small® by visiting and buying from local merchants from now through December.

The City of Perth Amboy, its BID and Mayor Wilda Diaz are presenting a special Shopping Local during the Holidays program and business networking event on Wednesday, November 14 beginning at 5:30 PM. Store owners and their selling teams are invited to La Terrazza Restaurant at 273 High Street in Perth Amboy. Admission is free and pre-registration is encouraged by calling the BID's office at 732-442-6421. More details are also available on the BID's Facebook page.

Sales Coaching Specialist Rocky Romeo is the featured speaker, who believes that creating a unique shopping experience is essential for succeeding during the highly-competitive holiday buying season. "In my view," Mr. Romeo said, "getting shoppers to visit your store is good, motivating customers to make a purchase is better and providing an incentive for them

to return soon and buy again is best."

During the evening, Mr. Romeo will outline the following methods to boost retail sales:

- focusing on creating a unique shopping experience for customers
 - creatively displaying new products, and looking for ways to regularly enhance in-store merchandising
 - taking responsibility for building traffic and sales through incentives, advertising, social media messaging and incredible customer service.
- BID Chairman Barry Rosengarten said, "Our goal is to assist Perth Amboy's merchants by inspiring our neighbors to shop local. We believe that supporting downtown businesses makes our city stronger, and that's why we have been part of the Shop Small Movement for years."

The BID team is available to answer business owners' questions about the November 14th event and Small Business Saturday celebration. Contact BID Executive Manager Junel Hutchinson at 732-442-6421 or by email at jhutchinson@perth-amboynj.org.

In 2012, the Small Business Saturday® celebration was launched in communities across the U.S.A. by the American Express Company.

Tom's Tax Tips

Six Ideas to Help Your Business Survive and Thrive

Courtesy of Tom Ploskanka C.P.A.

If you are like millions of taxpayers trying to make a living running a small business, you know it is tough out there. Here are six ideas to help your business survive and thrive:

1. Understand your cash flow. One of the biggest causes of business failure is lack of positive cash flow. At the end of the day, you need enough cash to pay your vendors and your employees. If you run a seasonal business you understand this challenge. The high season sales harvest needs to be ample enough to support you during the slow non-seasonal periods.

Recommendation: Create a 12-month rolling forecast of revenue and expenses to help understand your cash needs each month.

2. Know your pressure points. When looking at your business, there are a few categories that drive your business success. Do you know the top four drivers of your financial success or failure? By focusing on the key financial drivers of your business, success will be easier to accomplish.

Recommendation: Look at last year's tax return and identify the key financial drivers of your business. Do the same thing with your day-to-day operations and staffing.

3. Prioritize your inventory. If your business sells physical product, you need a good inventory management system. This system does not have to be complex, it just needs to help you keep control of your inventory. Cash turned into inventory that becomes stuck as inventory can create a cash flow problem.

Recommendation: Develop an inventory system with periodic counts (cycle counting) to help identify when you need to take action to liquidate old inventory or research any discrepancies.

4. Know your customers. Who are your current customers? Are there enough of them? Where can you get more of them? How loyal are they? Are they happy? A few large customers can drive a business or create tremendous risk should they go to a competitor.

Recommendation: Know who your target audience is and then cater your business toward them and what they are looking for in your offerings.

5. Learn your point of difference. Once you know who your customer is (your target audience), understand why they buy your product or service. What makes you different from others selling a similar item?

Recommendation: If you don't know what makes your business better than others, ask your key customers. They will tell you. Then take advantage of this information to generate new customers.

6. Create a great support team. Successful small business owners know they cannot do it all themselves. Do you have a good group of support professionals helping you? You will need accounting, tax, legal, insurance, and employment help along with your traditional suppliers.

Recommendation: Conduct an annual review of your resources, be prepared to review your suppliers and make improvements where necessary.

While libraries are filled with small business advisory books, sometimes focusing on a few basic ideas can help improve your business' outlook. Please call if you wish to discuss your situation. 1-800-801-1099

Candidate Profile: Brandon Russell

My name is Brandon Russell and I am the independent candidate for Mayor of South Amboy. I’m running for Mayor for five core reasons:

1. Growing up in SA has been a privilege and the community that raised me needs fresh leadership now more than ever.
2. Our infrastructure is not strong enough to handle the pending 1,500+ unit apartment building known as the Manhattan Beach Project.
3. Irresponsible and unnecessary tax breaks are draining funds from the school system while increasing property taxes every year
4. Current leadership has no interest in working with our citizens and would rather operate behind closed doors.
5. Our school system and businesses need more city sponsored support through career programs, parking solutions, and a reliable marketing strategy.

As a lifelong resident, Eagle Scout, volunteer coach, and college graduate, I believe I am the best candidate to handle the issues our community is facing. My diverse work history has taught me how to adapt and my drive for success is unmatched. I recently read an editorial written by Mayor Henry in another newspaper and I was disappointed to see how he dismissed my concerns as scare tactics.

The way Mayor Henry perceives his tenure as Mayor does not match up with how the citizens in South Amboy feel. I have spent the past six months talking to citizens and business owners all around SA, listening to their concerns, and realizing I’m not the only one concerned about the trajectory of South Amboy’s future.

I’m afraid this is our last chance to elect someone who will take South Amboy in a new direction. The window for creating positive change is closing as four years from now, there will be little left to build on.

The plan I have for South Amboy includes economic redevelopment, civic engagement, and more opportunities for the kids, residents, and business owners.

When elected, I will spend the first few months in office conducting a complete analysis of our budgets and creating a brand for South Amboy through community input.

We must eliminate all wasteful spending while finding innovative ways to operate more effectively.

We will increase transparency through a Mayor’s Blog that is consistently updated, status updates on grant applications, recaps from closed session meetings, and a committee made up of first responders, residents, community leaders, and city officials.

Politicians tend to make government more complicated than it needs to be and I would like to bring us back to the basics. No party interests, no backroom deals, no tax breaks for housing projects.

Under my leadership, we will focus on the needs of our residents and listen to their concerns. We will operate city government with complete efficiency, creating a version of South Amboy that works for all our residents.

The Mayor may call this a

scare tactic but the Manhattan Beach Project has the potential to bring in 3,000 more residents to a City that currently has less than 9,000. Before we allow a population increase like this, we must conduct more studies, share them with our residents, and strengthen our infrastructure.

We must provide more support to our first responders and find better incentives to increase membership. Our volunteers are the backbone of our community and we can’t go forward with a project like this until they have all the support they need.

There are legitimate environmental concerns regarding the toxins on the property where the Manhattan Beach Project will be built.

The Mayor wants me to “be careful” about what I say online and in the paper, but the only way who should be careful is him.

There are legitimate questions surrounding the tax breaks that Mayor Henry has been a part of over the past 30 years of his time as a city official.

1. How much has the school system received from these deals, if anything at all?
2. If we are making money on these deals, why do property taxes still go up every year?
3. Where did the surplus come from and how does he plan to use it?

These are just some of my concerns and since you have rejected my debate requests, I am forced to ask you here.

Mayor Henry, you can continue to dismiss my concerns or you can own up to what you’ve done during your time as a city official. It’s your move, Mr. Mayor.

For the citizens of South Amboy who are reading this, I won’t ask you to vote for me on November 6th this year.

I just ask you to make your voice heard and vote for the candidate who you believe will fight for the best interests’ of South Amboy’s residents, kids, and business owners.

I ask you to review the plans of every candidate and make an informed decision.

I don’t like making promises until I can back them up with facts so the only promise I will make today is I will always give it to you straight.

The only way to hold politicians accountable is by asking questions and I will never lead you astray because I have nothing to hide.

I must remind you of the importance of voting because I was once naïve enough to believe my vote didn’t matter. I’ve since learned that the ONLY way to effect positive change is through voting in honest politicians with good intentions and strong ethics.

On November 6th, I hope you make your voice heard and if you have any questions, please email me at Russellformayor@outlook.com. If you ever see me walking our dog or at community events, please don’t hesitate to start a conversation with me. I am always open to more ideas and the best way to improve our city is through civic engagement. Voting independent is voting for change!

Sincerely,
Brandon Russell
Independent candidate for Mayor of South Amboy

Plan of Action...

When elected as Mayor of South Amboy:

1. We will shift the focus to economic redevelopment by filling vacant properties with businesses first, only relying on housing projects if deemed necessary.
2. We will increase membership on the First Aid Squad and in the Fire Department by introducing more incentives.
3. We will continue hiring more police officers, including on a part-time basis for overtime relief; creating more jobs and giving our officers opportunities for time off.
4. We will fight the opioid epidemic through increased education and more opportunities for youth engagement, and we will destroy the stigma that surrounds addiction.
5. We will explore the possibility of installing a junior police academy.
6. We will analyze the city finances to find out where taxpayer dollars are being misspent or wasted.
7. We will go to the high school monthly to speak with students and teachers about how to improve the school system.
8. We will offer complete transparency through recorded meetings and a consistent blog.
9. I will continue to work with the South Amboy Youth Athletic Association to build a youth sports culture that teaches kids how to work hard and reach their goals.
10. We will answer all citizen questions/complaints with respect, honesty, and eagerness.
11. We will see to it that our parks be updated with new equipment, fresh fencing, and find new ways to utilize our parks.
12. We will form a committee focused on cleaning up the city, picking up litter on the beach, and addressing community concerns.
13. We will create jobs for South Amboy residents by bringing in new businesses and take advantage of e-commerce.
14. I will pursue every state and federal grant that South Amboy is eligible for, allowing the City to use the surplus for tax relief.
15. We will cease all PILOT negotiations and focus on getting housing developers to pay their fair share of property taxes. (see the next page for background on the PILOT deals)
16. We will GUARANTEE that the school is receiving the proper percentage of funding received from the PILOT deals.
17. I will make myself available for citizen/business owner meetings as frequently as possible.
18. We will agree on a “brand” for South Amboy as a community through polls and citizen input.
19. We will find new businesses that both align with that brand and are able to cross-promote with our current businesses.
20. Under my leadership, we will do things the right way, with complete transparency; while only making decisions that benefit as many South Amboy residents as possible.

U.S. Navy carrier planes cripple a Japanese naval squadron at Rabaul on November 5, forcing six cruisers to withdraw northward to Truk for repairs. In Italy, a still-unidentified aircraft drops four bombs on neutral Vatican City, near St. Peter's Basilica. Windows and glass cases are broken at St. Peter's, but there are no casualties. As the Red Army approaches Kiev, the Germans dynamite many old churches and public buildings in the city.

The Red Army liberates the city of Kiev, Ukraine, the nation's capital, on November 6. Off the coast of Algeria, the destroyer *USS Beatty* is torpedoed and sunk by a *Luftwaffe* Junkers Ju 88 fast bomber. Of *Beatty's* crew of 276, one sailor was fatally injured, seven were wounded and 11 wound up missing.

In the Solomon Islands, U.S. Navy Task Force 38 — including the aircraft carriers *USS Saratoga* and *USS Princeton* — is attacked by 100 Japanese aircraft on November 7. The air attack fails to achieve any hits on the carriers. Meanwhile, on Bougainville Island, a Japanese battalion is landed to the north of the beachhead held by the U.S. 3rd Marine Division; heavy fighting ensues.

On November 8, Adolf Hitler, in what will be his last speech to the Nazi Party, says “We shall go on fighting past 12 o'clock.” Radio Moscow, broadcasting news from newly liberated Kiev, reports that only one Jew is left alive in the city. Prior to the German invasion, over 140,000 Jews had lived in the Ukrainian capital.

Representatives of 44 governments, meeting in Atlantic City, New Jersey, on November 9 establish the United Nations Relief and Rehabilitation Administration to prepare for the post-war reconstruction of Europe and the Far East. In Washington, the U.S. Senate passes a bipartisan resolution calling for a federal plan “to save the Jewish people of Europe from extinction at the hands of Nazi Germany.”

The Greek island of Kos, in the Aegean, is now fully under German control. British destroyers offshore shell craft anchored in the harbor on November 10. In Hamburg, Germany, three Roman Catholic priests and a Lutheran minister— known as “the Lübeck Martyrs” (they are all from that German city) — are executed by beheading after being convicted of treason for their public opposition to the Nazis’ anti-Christian and anti-Semitic actions.

On November 11 two separate U.S. Navy carrier task forces attack the Japanese base at Rabaul on New Britain Island. Five aircraft carriers and 185 planes are involved. The Japanese lose almost 70 of their defending fighters as well as one light cruiser and two destroyers in the attack. A retaliatory Japanese air strike on the carriers fails. In the Mediterranean, an Allied convoy east of Oran, Algeria, is attacked by about 50 German aircraft. Three transports and one tanker are sunk.

Pet of the Week

Hi. My name is Muffin. I was spayed many years ago as part of a TNR program. I lived in an apartment parking lot when my foster mommy saved me because I had a hematoma. Unfortunately, my ear was amputated. I was just too sweet to be put back out so I'm looking for a home of my own. I'm still a pretty girl even with just one ear and I'm super lovable. Please ADOPT ME or one of my friends. I'm fixed, vaccinated for rabies and distemper, negative for fiv and leukemia, was dewormed, and am healthy and fully vetted. ADOPT. SPAY. NEUTER. LOVE. Novena to St. Rita

O holy protectress of those who art in greatest need, thou who shineth as a star of hope in the midst of darkness, blessed Saint Rita, bright mirror of God's grace, in patience and fortitude thou art a model of all the states in life. I unite my will with the will of God through the merits of my Savior Jesus Christ, and in particular through his patient wearing of the crown of thorns, which with tender devotion thou didst daily contemplate. Through the merits of the holy Virgin Mary and thine own graces and virtues, I ask thee to obtain my earnest petition, provided it be for the greater glory of God and my own sanctification. Guide and purify my intention, O holy protectress and advocate, so that I may obtain the pardon of all my sins and the grace to persevere daily, as thou didst in walking with courage, generosity, and fidelity down the path of life. *(Mention your request.)*
Saint Rita, advocate of the impossible, pray for us.
Saint Rita, advocate of the helpless, pray for us.
Recite the Our Father, Hail Mary, and Glory Be three times each. K.M. & C.M.

Prayer to the Blessed Virgin

(Never known to fail)
O Most Beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. O Star of the Sea, help me and show me herein you are my Mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity *(make request)*. There are none that can withstand your power. O Mary conceived without sin, pray for us who have recourse to thee *(3 times)*.
Holy Mary, I place this cause in your hands *(3 times)*.
(Say this prayer for 3 consecutive days. You must publish it, and it will be granted to you.) J.S.G.

Novena to St. Jude

Most holy Apostle, St. Jude, faithful servant and friend of Jesus, the Church honors and invokes you universally, as the patron of difficult cases, of things almost despaired of, Pray for me, I am so helpless and alone. Intercede with God for me that He bring visible and speedy help where help is almost despaired of. Come to my assistance in this great need that I may receive the consolation and help of heaven in all my necessities, tribulations, and sufferings, particularly - *(make your request here)* - and that I may praise God with you and all the saints forever. I promise, Oh Blessed St. Jude, to be ever mindful of this great favor granted me by God and to always honor you as my special and powerful patron, and to gratefully encourage devotion to you. Amen. *A.L.S.*
