Rezoning of Front Street Discussed

Caucus 8/12/13

PERTH AMBOY - Business Administrator Greg Fehrenbach presented a report to the Council in reference to what may have to be done to the Waterfront. Front Street specifically was mentioned for rezoning because of damage caused by Hurricane Sandy. There is a possibility of eliminating some of the residential property south of Gordon Street, Bayview Park to the Raritan Yacht Club.

The discussion was whether or not to make this area all commercial property. The Planning Board and Redevelopment Advisory Committee made this suggestion. Presently there are about 4 to 5 residential houses on that strip. Fehrenbach said that the City

SAYREVILLE - It has been 12 years since that tragic day in 2001 when America was attacked by terrorists. The Borough of Sayreville will never forget that day and the people from the community that perished in the attack. At the memorial ceremony on Sunday the town remembered Robert Hughes, Judy Hazel S. Fernandez, Donna Marie Gior-dano and Vinod Parakat.

Master of Ceremonies, Kenneth Kelly, the organizer of the memorial did a fantastic job as always. Each year he and his team put together a beautiful program to honor the residents of Sayreville who were lost that day. Each year the ceremony draws together about 500 residents, family and friends to the memorial site at Burke's Park on Washington Road.

The program included Guest Speaker, Sayreville Chief of Police, John Zebrowski and various speakers including family members, Mayor Kennedy O'Brien, Congressman Frank Pallone, Assemblymen John Wisniewski and Craig Coughlin. The Sayreville Girl Scouts did a Flower Presentation. Wreaths were presented by the Police, Fire and EMT departments. Vocalist, Judith Gary, sang "Love Can Build a Bridge" and "God Bless America". The memorial ended with Billy Magee on the Bagpipes.

Items Discussed at South Amboy's

9/4/13 Business Meeting

SOUTH AMBOY - Business Administrator Camille Tooker reported that the day after the last Business Meeting - Thursday, August 7, 2013 NJ Transit informed the City that the 9-11 Memorial can be installed at no cost to the City and their fee would be waived.

There was also a public auction for 3 vehicles. There will be a minimum price set by the Mechanics who will determine the value of each vehicle. There was also a bid for a Waterfront Walkway and Seawall

Construction. The bids were between \$1.1 to \$2.3 million and are under review by the Engineer's Office. City Engineer Mark Rasimowicz stated that the low bidder had withdrawn.

Rasimowicz also reported that for the annual 2014 fiscal year there are 3 NJDOT grants available for road projects, transit grants and safe streets.

September 20, 2013 is the deadline to have application submitted.

B.A. Camille Tooker said that

there is a corrective action plan to the 2012 audit. This plan was to correct any deficiencies found. This included post-employment benefit actuaries, police (outside duty) and administrative fee salaries.

An item for a yard waste interlocal service agreement drawn up by the County will be looked at by the City. If the City agrees, they can sign the agreement. Councilman Mickey Gross abstained.

*Wisniewski Reminds Seniors, Disabled of September 16
Deadline for Property Tax Freeze Applications*

News Release 9/3/13
19th DISTRICT - Assemblyman John S. Wisniewski is reaching out to senior citizens and disabled residents to remind them of the September 16th deadline for 2012 property tax reimbursement applications under New Jersey's "Senior Freeze" property tax relief program. The "Senior Freeze" program reimburses eligible participants for property tax increases that occur once they are successfully registered with the program.

"The Senior Freeze program provides seniors and disabled homeowners with relief from ever escalating property taxes," said Assemblyman Wisniewski. "For many participants, the assistance provided by the program allows them to stay in their home rather than having to sell it."

Each year, the New Jersey Division of Taxation automatically mails applications for the Senior Freeze program's property tax reimbursement to residents who may be eligible to participate in the program. Many eligible participants, however, may not have received the paperwork and will have to obtain the program's forms in time to file the application by the program deadline.

*Isolated Part of Perth Amboy Gets
a Playground in One Day*

PERTH AMBOY - More than 400 volunteers, including at least 100 children, gathered Saturday at the city's Francis Street Park to build a new playground in a single day. The culmination of two years of work, the project was conceived by the Jewish Renaissance Foundation, an area community-action organization; championed by KaBOOM!, a national nonprofit organization that helps with the construction of playgrounds; and sponsored by a Canadian insurance company.

To be eligible for the Senior Freeze program, applicants must have been 65 years or older by December 31, 2011 OR have been receiving federal Social Security disability benefits as of December 31, 2011 AND December 31, 2012.

For property tax reimbursement eligibility in 2013, applicants must also meet all these additional requirements:

- Have lived in New Jersey continuously since December 31, 2001, either as a homeowner or renter;
- Have owned and lived in your home, or leased a site in a mobile home park for a manufactured or mobile home that you own, since December 31, 2008;
- Paid the full amount of the 2011 property taxes due on your home by June 1, 2012 and paid all 2012 property taxes by June 1, 2013; and
- Have total annual income for 2011 of no more than \$80,000 and for 2012, no more than \$70,000.

With rare exceptions, all income is taken into account in determining program eligibility including Social Security and pension benefits. Each year, income limits for the program are also subject to change as a result of the an-

nual state budget.

Residents whose 2012 income was between \$70,000 and \$82,880 and who meet all other eligibility requirements are also encouraged to file a "Senior Freeze" application by the September 16th deadline. While they will not be eligible for any property tax relief this year, by filing a 2012 application they will establish a baseline for their property taxes upon which any future property tax relief payments will be based.

"I encourage eligible residents who have not received their forms or who are applying for the first time to contact my office to secure the needed paperwork as soon as possible," said Assemblyman Wisniewski. "My office is also available to answer residents' questions about eligibility and how to provide assistance in filing the necessary forms."

Assemblyman John Wisniewski represents New Jersey's 19th Legislative District, which includes the Middlesex County towns of Carteret, Perth Amboy, Sayreville, South Amboy and Woodbridge. His office is located at 132 Main Street in Sayreville and can be reached by calling (732) 432-8460.

LOCAL PERSPECTIVE

EDITORIAL

It Was Such A Gorgeous Weekend . . .
... And Then I Remembered

Saturday, September 7th and Sunday, September 8th were gorgeous days. During the day, the sun was out, skies were blue and barely a cloud was in the sky. This weekend was perfect for outdoor activities and there was an abundance of them.

Perth Amboy had their Annual Youth Fishing Derby held on the Waterfront (giving further proof of that area’s rebound.) City Hall Circle was dotted with antique, vintage and classic cars for the UEZ Annual Car Show.

Some parking lots and side streets were filled with activity. Events included fundraisers, church events and celebrating the achievements of young people.

There was a religious groundbreaking ceremony on Sunday outside of St. Demetrios Church celebrating the soon to be installation of an elevator to aid the disabled.

I decided to fix myself a small container of ice cream sprinkled with coconut, chocolate syrup and small marshmallows. I went to Bayview Park and sat there enjoying my dessert and the activities on the Waterfront.

By activities, I mean watching others and enjoy the Waterfront and watching the boats and ships go by.

For some reason, I received the most pleasure out of watching families and couples that have been married a long time taking advantage of the spectacular weather.

One long married couple in particular caught my eye. When they walked, they were not only synchronized, but they also held their hands in the same position. (Clasped behind their backs.) There is an old saying that pets resemble their owners. I guess if you stay married long enough, you may start to resemble each other.

As I was walking back home, my thoughts turned to how

beautiful the weather was on September 11, 2001. In such a short period of time, what began so beautiful, turned into something so ugly and unimaginable.

When the first plane hit, the Twin Towers most people probably thought it was an accident. There was no mistake as to what was happening when that second plane hit.

Some people think that this day should just be forgotten. Just tell that those who lost a loved one. There may be a few that lost someone that fateful day and feel that should move on and some have.

It is that individual’s decision as to how they want to remember that day.

I, personally did not know anyone who died or was injured on 9-11-01. With the instant technology we had that day, it was almost as if you were there minus inhaling the dangerous chemicals, smoke, and being covered in soot. The devastation experienced by those who were at the Towers and surrounding neighborhoods was unimaginable. I don’t know how anyone there could ever get over it.

Sayreville paid tribute to those who perished on 9-11 on this past Sunday. Perth Amboy will be paying tribute on Wednesday, 9/11/13 at 12 noon, City Hall Circle. The Woodbridge service will also be on the same day at 6 p.m. in their City Hall parking lot. **C.M.**

I remember going outside and saying to myself, “What a beautiful day!” on that morning of 9-11-01. To this day, every beautiful day in early September reminds me of that beautiful day that turned into the tragedy of 9-11-01. We’ll never forget. **K.M.**

Whose War
Is It?

Well, look at this! The United States wants to use limited military force on Syria. I wonder why? And what about those chemical weapons being used and who really shot them. Was it the Syrian Military or the Rebels? Your guess. Now, the U.N. Weapon Inspectors will find out very soon who did it. That’s if no one interferes. And the funny part about this so-called war is the Pentagon wants more funding for this. The cost of

war is not cheap. Also, the British (UK) has bailed out from this war, too. I guess they know something. Russia told the U.S. to keep out of this. China is watching very carefully. As for Iran - well, they have other plans. We just got out of one war, and are still fighting another war. We still have not learned a thing. And most of them are civil wars anyway over government or land. And who really starts these wars? Go and ask the insiders in Washington D.C. Billions have been spent on wars over these years and who really profits from this? Your

guess. How many more dead soldiers must come home in a coffin with the America flag on it and the family is crying over it. How many more wounded soldiers must suffer in pain for another country war we ask. Yes the United States likes to help countries in need, but it’s time to realize the cost of American lives and suffering for their wars. Yes, we should support those soldiers who are fighting for our freedom. Freedom is here in America - not for some country that should be fighting for their own.

Internal
Investigation
or Internal
Coverup

Richardson school secretary Hector Muniz was found guilty on August 2013 of possessing and selling alcohol on school property. This incident which began in December 2011 will cost taxpayers hundreds of thousand of dollars and was covered up until Caffrey was suspended and Interim Superintendent Dr Vivian Rodriguez reported the matter to the police. On May 2, 2012 Tom Haydon reported that “all involved Richardson staff members including principal, vice-principal, and support staff [Hector Muniz] have been placed on leave pending the investigation.”

Ruiz said Superintendent Janine Caffrey, who has since been placed on administrative leave, “notified his department several months ago about the alcohol allegations. The chief said the issue was handled internally and there was insufficient evidence for a police investigation. This makes no sense whatsoever, Ruiz said of the school staff members being relieved of their duties.” I On May 18, 2012 Haydon reported that Caffrey was reinstated. “Police were asked to review the matter after she was removed from her post, Caffrey said, and she waited for that to be completed before notifying the Richardson school staffers on Thursday to report to work today. Perth Amboy Police Chief Ben Ruiz confirmed that then-acting School Superintendent Vivian Rodriguez asked police to look at events at the school after Caffrey was placed on leave — even though Caffrey had already notified the department and it had concluded no crime was committed.”

Ruiz said.

On August 28, 2012 Haydon reports “Richardson Principal Cores, in his counterclaim, said he was “informed in December 2011 that Muniz had a flier advertising the drink taped to his computer, and Cores told Muniz to remove it. Cores and Caffrey said there was never any alcoholic beverage in the school. Caffrey said the district investigated the incident in December and determined there were no violations.”

On August 1, 2013 Suzanne Russell reports that Hector Muniz was found guilty of possessing and selling alcohol on school property. Also that after being reinstated by Caffrey, who claimed that the police investigation was completed on May 18, 2012, Muniz was placed on administrative leave a second time by Caffrey in June 2012 after receiving summons by the police.

Why is this of importance to both the City Administration and to the BOE? Hector Muniz was paid to sit at home for 15 months with pay and benefits even though he was found guilty. He was found guilty even though Caffrey and Ruiz could find no evidence of a crime for six months. Also sitting at home with pay [\$178,000 a year] and benefits is Dr. Rodriguez who demanded a police investigation and an end to the cover up. I believe that it would reasonable to conclude that the Rodriguez settlement is connected with her involvement in the Muniz affair. Since this disorderly persons offense was delayed for so long the total cost including lawyers and Dr Rodriguez settlement will be significant!

Why did Ruiz rely on an internal investigation and claim there was insufficient evidence for a police investigation for six months? Why did Caffrey

claim in the Amboy Guardian that she did not know about the incident until April 2012, when Ruiz claimed on May 2 that she had notified him several [more than two] months ago? That would bring the time to February. Caffrey said the district investigated the incident in December. Are we to believe the district would have the temerity [defined as unreasonable or foolhardy contempt of danger] to not notify the Superintendent of this investigation?

Why did Ruiz base his lack of an investigation on Caffrey’s police expertise stating “Caffrey had already notified the department and it had concluded no crime was committed? “There’s nothing criminal there, so there was no reason for an investigation,” Ruiz said.” Why did Caffrey claim that the police investigation was completed on May 18 when she reinstated the Richardson personnel, yet Muniz was issued his summons in June?

Why is it that Mayor Diaz who, on April 22, 2012, wanted the State to investigate the BOE and claimed great injustice, but has strangely remained silent on this cost of hundreds of thousands of dollars to the taxpayers?

Finally, there is Caffrey’s total disregard for the intelligence of the people of Perth Amboy. Again and again in multiple articles, including twice in the Amboy Guardian, she declares the Judge found her guiltless. Caffrey cites statute 2C:33-16 which reads: “without expressed written permission” and not if Caffrey or anyone had knowledge. Muniz was found Guilty because of the evidence and because he did not have written permission. So give it up Caffrey and go rescue another town!

Novena To St. Rita
O holy protectress of those who art in greatest need, thou who shineth as a star of hope in the midst of darkness, blessed Saint Rita, bright mirror of God’s grace, in patience and fortitude thou art a model of all the states in life. I unite my will with the will of God through the merits of my Savior Jesus Christ, and in particular through his patient wearing of the crown of thorns, which with tender devotion thou didst daily contemplate. Through the merits of the holy Virgin Mary and thine own graces and virtues, I ask thee to obtain my earnest petition, provided it be for the greater glory of God and my own sanctification. Guide and purify my intention, O holy protectress and advocate, so that I may obtain the pardon of all my sins and the grace to persevere daily, as thou didst in walking with courage, generosity, and fidelity down the path of life. *(Mention your request.)*
Saint Rita, advocate of the impossible, pray for us.
Saint Rita, advocate of the helpless, pray for us.
Recite the Our Father, Hail Mary, and Glory Be three times each. K.M. & C.M.

A Petition to St. Joseph

Dear St. Joseph, head of the most perfect household, foster father of Jesus and guardian of His mother Mary, I confidently place myself and all my concerns under your care and protection. I ask that, through your powerful intercession with God, you obtain for me all the help and graces that I need for my spiritual and temporal welfare and in particular, the special favor I now ask there mention or think of your home sale or any other petition, especially family needs. Good St. Joseph, I know with confidence, that your prayers on my behalf will be heard by God and that He will grant my request, if it be for His glory and my greater good. Thank you St. Joseph, for having responded to my call. Amen. **G.T.A.**
