SAYREVILLE - On Monday, September 11, 2017, Bridges of Peace, a Sayreville based nonprofit charity, along with the residents of Sayreville will begin a two-week drive for the victims of Hurricane Harvey in Texas. A 53-foot tractor-trailer and driver have been secured to bring the goods to the area outside of Houston to assist those people who so desperately need our help. There will be several public donation drop off points throughout the town listed as follows:

- The trailer will be at 277 Johnson Lane in Parlin on the grassy area behind Emma L. Arleth School and will receive donations 4 to 8 pm throughout September 23
- Assemblyman John Wisniewski's office at 132 Main St. Sayreville (during business hours)
- The Sayreville Borough Hall at 167 Main St., Sayreville during hours of operation
- The Sayreville Senior Center at 423 Main St., Sayreville during hours of operation
- The Morgan First Aid Squad at 1960 Hwy 35, South Amboy during evenings
- Sayreville United Methodist Church at 406 Main St., Sayreville (in rear of church at Sharegood Thrift Store-Tues., Thurs., and Sat. 9 am to 1 pm)
- Sayreville Day- September 17, 2017, next to Lions Vision Mobile

* All Sayreville public schools will be also collecting items only through their students. *

The donated items will be shipped to the Food Bank in San Antonio who are serving the people directly affected in the Houston area. The items that will be collected are:

- Baby items (i.e. diapers, formula, wipes, new clothing, food [no glass, please])
- Personal hygiene products (i.e. toothpaste, body wash, deodorant, shampoo, etc)
- First aid supplies (i.e. band aids, Tylenol, Neosporin, etc)
- Water
- Nonperishable Food (canned and boxed)
- New towels, wash clothes, linens and blankets
- New clothing

Monetary donations can be made to Bridges of Peace at [facebook.com/bridgesofpeace](https://www.facebook.com/bridgesofpeace) or by check and are fully tax deductible. Money donated to this will help pay for fuel to transport the items to Texas. Any excess will be donated to local food banks in that area. The final day of this drive will be Sept. 23, 2017. We will have an event at Buddies Banquet Hall at 277 Johnson Lane in Parlin from 2 to 6 pm to celebrate our success! It will include a "Taste of the Town", DJ and other musical surprises along with raffles. Donations at the door will be \$10 for adults, \$5 for children under 9 and under 2 is free. On behalf of Bridges of Peace, we would like to thank you in advance for your support in any way in helping those who so urgently need it. Once again, we have the opportunity to show we are "Sayreville Strong"! Thank you for your consideration. **If you have any questions or are interested in volunteering please call Art Rittenhouse at 732-525-3208 or Karen Bailey at 732-910-8397.**

LOCAL PERSPECTIVE

EDITORIAL

The Hero Inside of You

On the radio, this morning, there was a guest who was a first responder during 9-11-01 recovery. He reminisced about the time when he received a call from the father of a woman who had died at the World Trade Center. The father was so happy to report that he hipbone of his daughter was found so that he had something of her to bury.

We must remember that some survivors longed for any possessions that would identify their loved ones who perished on that fateful day, whether it be in the World Trade Center, the Pentagon, or Shanksville, P.A.

During the 9-11-01 Remembrance Ceremony at City Hall Circle, there was always one individual who spoke who was not there. That was the late Fire Chief Abraham Pitre. I recall him with much emotion saying how frightful it was to go to the World Trade Center because of not knowing what they were encountering. He became even more emotional when talking about searching for his dear friend, Firefighter Richard Rodriguez. We take solace in knowing that they are reunited again.

Watching parts of the 9-11-01 Service in New York, it was very moving to listen to those who were not even born reading the names of those who perished. Some of those youngsters said that they were proud that they were named in memory of their deceased relatives.

At the Perth Amboy Ceremony, Retired Detective, and United States Recon. Marine Jesus Martinez said that his son was inspired by September 11, 2001 to join the marines. He stated that his son is a Marine Sniper, now. "I'm sure that Mayor Diaz's son is also inspired by 9-11-

01 to join the service." Martinez also thanked the Mayor, "For being very supportive of always having a September 11, 2001 Remembrance Service that we never forget."

All the speaker all had one thought in common: that events whether it be September 11, 2001 or any other attacks (whether it be terrorism or a force of nature) on the United States, we (whether we're ordinary citizens, first responders or in all different walks of life or professions) are stronger together than divided. Look at the response of people in reaction not only to natural disasters in the United States, but all over the world. When push comes to shove, we show what we are truly made of. Through the Grace of God is when we become those heroes.

To quote President Ronald Reagan after the Challenger Explosion: "The crew of the space shuttle Challenger honored us by the manner in which they lived their lives. We will never forget them, nor the last time we saw them, this morning, as they prepared for their journey and waved goodbye and "slipped the surly bonds of earth" to "touch the face of God."" (January 28, 1986 - Speech written by Peggy Noonan).

In my heart, when those people perished on 9-11-01 on what was a beautiful morning, they did touch the face of God.

Personally, for myself, there are 2 songs that say it all: "United We Stand," by the Brotherhood of Man; "He Ain't Heavy - He's My Brother," by Bob Russell and Bobby Scott, Sung by the Hollies.

We will have more remarks and photos next issue. *C.M.*

South Amboy Looks to Aid Hurricane Victims in Texas and Florida

9/6/17 Business Meeting

By: Joseph L. Kuchie
SOUTH AMBOY - Mayor Fred Henry announced that the city of South Amboy will look to conduct a city-wide collection to help support the victims of Hurricanes Harvey and Irma.

Hurricane Harvey took the lives of at least 70 people in August, dumping nearly 50 inches of rain in some areas of Texas. Hurricane Irma had yet to hit landfall as of last Wednesday's city business meeting, but meteorologists projected certain areas of Florida would face wind speeds of over 115 m.p.h.

"We had a collection up at Protection [Fire House] and I think that we should look into very seriously doing a collection city wide using the fire departments just as they did except not just one but maybe a few more so we can have a couple of places to do things."

"It's just something I think we should do considering the help we got when we were hit with [Hurricane] Sandy," he added. "We're all in these things together so I think it would be very worthwhile."

Councilman Brian McLaughlin noted that Protection Fire Company held their collection in conjunction with Spotswood and Milltown. The three entities worked with a local tractor trailer company to transport the goods toward Texas.

"I think it's a great idea," Councilwoman Zusette Dato said. "I think we all agree on that and having had similar, not as intense, but similar experiences, I think we get it. We feel for them."

All council members were in attendance for the city's business meeting. The next city council meeting will be held on September 20th at 7:00 p.m.

\$100 MILLION INVESTMENT

Commercial Development Company Inc. (CDC) announced today final plans for building demolition and environmental cleanup at the former ASARCO property in Perth Amboy, NJ. This milestone paves the way for an additional 1 million square feet of modern industrial buildings at "Bridgeport Logistic Center Phase 2".

"CDC is pleased to announce its final push to restore this historic site to productive reuse," said Stephen Collins, Executive Vice President at Commercial Development Company. "Since acquiring the site in 2009, CDC has relocated 22 tenants, demolished 13 buildings, and remediated 80 years of environmental residue from ASARCO's metal smelting business."

ENRC will build a perimeter slurry wall this fall, with local business KT Marine serving as a subcontractor. Bridge Development will break ground in March 2018 on two industrial buildings totaling 1,073,000 square feet. This phase 2 project will complete a total of 2.4 million square feet at Bridgeport Logistics Center.

Bridge Development Partners, LLC has invested \$180 million for the construction of three warehousing and distribution facilities totaling 1,292,650 square feet where Target has established its first distribution center in the State of New Jersey.

"We are extremely excited to finally begin to move forward with the second phase of our Perth Amboy project. The Phase 1 buildings are nearing completion, are already over 55% leased and employing a large number of Perth Amboy residents. It is wonderful to see the transformation of once blighted properties into a new economic engine for the City of Perth Amboy," said Jeff Milanaik, Principal with Bridge Development Partners.

"The Perth Amboy's Redevelopment Agency (PARA) played a role in promoting and advancing this redevelopment, in addition to the City Council's support on the PILOT program. "Bridgeport Logistics Center" will transform a portion of Perth Amboy's historic shoreline from contaminated Brownfields into a state-of-the-art industrial complex providing great jobs and a stable tax base for the community," said Wilda Diaz, Mayor of Perth Amboy.

The Bridgeport Logistics Center (190 total acres) is located north of the 440 Outerbridge Crossing connecting Staten Island and the New Jersey Turnpike. It also borders the Arthur Kill, a major navigational channel for the Port of New York and Newark, NJ. Several waterfront tenants will remain at the site to serve marine uses.

For 80 years, this industrial site was a smelting and refining facility owned and operated by American Smelting and Refining Company (ASARCO). Since closing its doors in 1979, many tenants and environmental issues prevented redevelopment of the site. CDC acquired the site from ASARCO in 2009 and is pleased to help Perth Amboy redevelop its historic waterfront to provide 21st century jobs and services.

STRATEGIC TASKFORCE-PUBLIC MEETING ON 9/18

"The collective goal was to draft an inclusive and expansive vision of growth and development for Perth Amboy. And I am proud to say that many of the recommendations that were brought to the table are either in progress or have come to fruition,"
said Mayor Wilda Diaz.

Read more about the Taskforce Recommendations at www.ci.perthamboy.nj.us

Perth Amboy Residents—The Strategic Taskforce will be hosting a Public Meeting, Monday, September 18th, 2017 at 7:00 p.m. at the Brighton Avenue Community Center located on 56 Brighton Avenue.

Come and share your input and feedback on the efforts and initiatives of the Taskforce as they finalize their report. The Taskforce's report will contribute to the next four years of this City's future. Be a part of the conversation; we want to hear what you have to say!

NEW CONSTRUCTION IN YOUR NEIGHBORHOOD! Washington Park Gets Green Infrastructure.

As part of a city wide initiative, Perth Amboy SWIM (Stormwater Infrastructure Management), a group dedicated to addressing stormwater pollution and flooding throughout the city, is building gardens and pavement systems that will help manage floodwater during rain storms. These systems are designed to capture the water during rain events to help reduce the amount of water flooding the streets.

RAIN GARDENS:

A rain garden is designed to capture stormwater. Rain gardens keep stormwater from overflowing the sewers. This makes the community healthier while reducing flooding.

POROUS PAVEMENT:

Porous pavement is designed to allow rain water to pass through the surface and into the stone layer underneath. The stone holds the water during the storm and allows it to slowly seep into the ground. Porous pavements keep stormwater from overflowing the sewers. This helps reduce flooding in the local neighborhoods.

Stop by Washington Park to check out the new construction and help build our rain garden on October 7th at 10am.

Visit water.rutgers.edu for more information about green infrastructure!

National Back to Church Sunday

Worship Service | Sunday School Kick-Off | International Sunday | Block Party

Press Release

PERTH AMBOY – “A Place to Belong – Celebrating Church, Children and Culture” is the theme for National Back to Church Sunday being acknowledged throughout the United States. On this day, Cathedral International will celebrate their Sunday School Kick-Off for the upcoming year and will observe International Sunday. Following the worship service, a block party will take place on Madison Avenue in front of The Cathedral.

WHAT: National Back to Church Sunday

WHEN: Sunday, September 17, 2017

WHERE: Cathedral International, 277 Madison Ave., Perth Amboy, NJ 08861

“Many people in the United States, other countries and islands are suffering and experiencing difficulty they could never have imagined. As we celebrate ‘Back to Church Sunday’ may we ‘go to’ those who are suffering with our prayers, financial donations and sensitive hearts. May we all remain sensitive and respectful to others who are different from us,” said Bishop Donald Hilliard, Jr., Senior Pastor of Cathedral International.

Sunday School registration takes place on the September 17th and classes will begin on September 24th. Sunday School classes are for children and adults. Another feature of the day is the celebration of International Sunday. There are

over 20 nations represented at Cathedral International. During the block party, everyone will have an opportunity to taste desserts, snacks and beverages from our international families.

Children will enjoy carnival games, the bounce house, face painting, great prizes, Italian ices and much more. The entire family, friends, co-workers and neighbors are welcome to attend this free event.

The worship service is a great time of music and dance; prayers, the preached word and a warm-hearted welcoming congregation.

This Week in World War II 75 Years Ago

By: Phil Kohn. *Dedicated to the memory of his father, GM3 Walter Kohn, U.S. Navy Armed Guard, USNR, and all men and women who have answered the country's call in time of need. Phil can be contacted at ww2remembered@yahoo.com.*

The RAF conducts a heavy raid on Düsseldorf, Germany, on September 11, 1942. Some 475 bombers drop 100,000 incendiary devices in less than one hour. In Canada, the Canadian corvette *HMCS Charlottetown* is torpedoed and sunk by German submarine *U-517* in the Gulf of St. Lawrence. *Charlottetown* loses 9 of her crew of 64.

On September 12, the British troopship *RMS Laconia*, carrying civilians, Allied soldiers and Italian POWs, is torpedoed off the coast of West Africa by German submarine *U-156* and sinks. When *Korvettenkapitän* Werner Hartenstein, commanding officer of *U-156*, realizes civilians and prisoners of war are on board, he surfaces to rescue survivors, and asks U-Boat Command in Germany for help. Several U-Boats are dispatched. All fly Red Cross flags and transmit over open radio channels that a rescue operation is underway. Ignoring those signals, a U.S. Army Air Forces B-24 Liberator bomber from Ascension Island starts attack runs on some of the submarines that already have survivors on their decks. The Germans order their submarines to dive, abandoning many survivors. The American command later denies it had knowledge of a rescue operation underway. Following the incident, Admiral Karl Dönitz orders his submarine commanders not to rescue any survivors after attacks. In the *Laconia* incident, 1,113 survivors are ultimately rescued, but 1,619 — mostly Italian prisoners of war — die.

British desert raids reach Benghazi and Barer, in Libya, on September 13. A combined-forces amphibious landing at Axis-occupied Tobruk is also made by British, Rhodesian and New Zealand troops. The attempt to take the city fails, however. The German Sixth Army continues its attempt to take Stalingrad. On Guadalcanal, 6,000 Japanese try to seize Henderson Field from the U.S. Marines but are repulsed in what becomes known as the Battle of Bloody Ridge or the Battle of Edson's Ridge (named for the commander of the Marines that bore the brunt of the attack: Lt. Col. Merritt Edson).

About 170 miles east of San Cristóbal Island in the Solomons, Japanese submarine I-19 on September 14 torpedoes and sinks the American aircraft carrier *USS Wasp* and damages the battleship *USS North Carolina* and the destroyer *USS O'Brien*. In far-eastern China, Chinese forces recapture Wuyi in coastal Chekiang Province from the Japanese. Soviet planes bomb Budapest and the Ploiești oil fields in Romania. Allied planes from Egypt bomb Sofia, Bulgaria.

Fierce fighting between German and Soviet forces erupts on September 15 at the Stalingrad railway station and for possession of a strategic hill — Mamayev Kurgan — overlooking the city. In Papua-New Guinea, U.S. troops arrive to reinforce the Australians garrisoning Port Moresby.

Armand Annet, the Vichy French Governor-General of Madagascar, on September 16 asks Col. Robert Sturges of the British Royal Marines and commandant of the invading British forces for an armistice. German Army Group B penetrates the northwestern suburbs of Stalingrad. In Albania, the National Liberation Movement, an anti-Axis resistance group, is organized at Pezë.

Peace talks in Madagascar break down on September 17. In the U.S., all atomic research is placed under military control; Army Col. Leslie Groves is placed in command of the Manhattan Project. In Europe, a joint British-Norwegian team of commandos attacks and destroys the power plant at Glomfjord, Norway. The plant remains out of service for the entire remainder of the war. Also in Norway, Minister President Vidkun Quisling reintroduces the death penalty to the Norwegian criminal code.

Novena to St. Rita

O holy protectress of those who art in greatest need, thou who shineth as a star of hope in the midst of darkness, blessed Saint Rita, bright mirror of God's grace, in patience and fortitude thou art a model of all the states in life. I unite my will with the will of God through the merits of my Savior Jesus Christ, and in particular through his patient wearing of the crown of thorns, which with tender devotion thou didst daily contemplate. Through the merits of the holy Virgin Mary and thine own graces and virtues, I ask thee to obtain my earnest petition, provided it be for the greater glory of God and my own sanctification. Guide and purify my intention, O holy protectress and advocate, so that I may obtain the pardon of all my sins and the grace to persevere daily, as thou didst in walking with courage, generosity, and fidelity down the path of life. *(Mention your request.)* Saint Rita, advocate of the impossible, pray for us. Saint Rita, advocate of the helpless, pray for us.

A Petition to
St. Jude

Dear St. Joseph, head of the most perfect household, foster father of Jesus and guardian of His mother Mary, I confidently place myself and all my concerns under your care and protection. I ask that, through your powerful intercession with God, you obtain for me all the help and graces that I need for my spiritual and temporal welfare and in particular, the special favor I now ask there mention or think of your home sale or any other petition, especially family needs. Good St. Joseph, I know with confidence, that your prayers on my behalf will be heard by God and that He will grant my request, if it be for His glory and my greater good. Thank you St. Joseph, for having responded to my call. Amen. **G.T.A.**
